

Amesbury Public Library Child Safety Policy

The staff of the Amesbury Public Library strives to create a warm, inviting, fun environment for children. We offer many programs and services that encourage children to develop a love of books, reading, and learning.

The safety and well being of children at the library is of serious concern. It is the intention of this policy to enlist the cooperation of parents and other adults responsible for children to ensure that the Amesbury Public Library provides a safe and pleasant experience for all who use it.

Children aged 6 and under may not be left unattended in the library. Older children caring for younger children must be able and willing to attend and supervise the younger ones while in the library. Parents/Guardians are responsible for their children's behavior in the library.

Parents/Guardians will be notified if their children are left in a vulnerable situation or require supervision due to disruptive behavior.
